**ORDINANCES TO BE INTRODUCED:**

\* ITEM-50: Lease Amendment - Rio Vista Tower - Padres.

(Mission Valley Community Area. District-6.)

**CITY MANAGER'S RECOMMENDATION:**

Introduce the following ordinance:

(O-2003-29)

Introduction of an Ordinance authorizing the City Manager to execute the First Amendment to Lease Agreement with Hyundai Rio Vista, Inc., at an initial monthly rent of \$43,252.30;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$84,549.79 from Fund No. 10330, Dept. 930 for FY2002.

**CITY MANAGER SUPPORTING INFORMATION:**

As part of the extension of the San Diego Padres lease at Qualcomm Stadium in 1996, the Mayor and Council authorized the payment by the City of the Padres office space in Mission Valley. The Padres current sublease from the City in the Rio Vista Tower will need to be extended due to construction delays with the downtown Ballpark project. It is anticipated that the Padres will be ready to relocate in the Spring of 2004. The City is therefore extending its Lease in the Rio Vista Tower under the following basic terms which provide flexibility to terminate early or extend the term as required:

Term - 3 years with a lease expiration date of January 14, 2005. City shall have the right to terminate the Lease after 2 years by providing a six-month notice to the Landlord.

Rent - \$2.45 per square foot or \$43,252.30 per month. This rental rate is below market as compared to similar office space in the Mission Valley area.

Use - General office use for the San Diego Padres.

Size - 17,654 square feet.

Option to Renew - The City shall have one option to renew the Lease for three (3) additional years.

Rent Abatement - The City will receive a tenant improvement allowance totaling \$49,800. The allowance will be used as a rent reduction divided over the initial twelve months of this Amendment.

Parking Abatement - The City shall receive full rent abatement for the Padres parking spaces throughout the term of this Amendment.

**FISCAL IMPACT:**

An additional \$84,549.79 will be paid from Fund 10330, Dept. 930 for FY2002.

**ADOPTION AGENDA, CONSENT ITEMS  
RESOLUTIONS:**

- \* ITEM-100: Participation Agreement for the Design, Construction, Relocation and Up-Sizing of a Portion of the Otay 2<sup>nd</sup> Pipeline Through Skyline Terrace Estates.

(Skyline-Paradise Hills Community Area. District-4.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2003-41)

Authorizing the City Manager to enter into an agreement with Carter Reese No. 11, LP, for the design and construction of the water main improvements through Skyline Terrace Estates;

Authorizing the expenditure of an amount not to exceed \$679,641 from Water Fund No. 41500, CIP-73-286.0, Otay Second Pipeline Improvements (Skyline Terrace Estates), provided that the City Auditor first furnishes one, or more, certificates certifying that the funds are, or will be, on deposit with the City Treasurer;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to return excess funds, if any, to the appropriate reserves.

**CITY MANAGER SUPPORTING INFORMATION:**

Carter Reese No. 11 Limited Partnership, a California limited partnership (Developer), is the owner of certain property known as Skyline Terrace Estates, Tentative Map No. 41-0046, located within the Skyline-Paradise Hills Community Planning Area.

In order to satisfy one of the conditions of Tentative Map No. 41-0046, the Developer must relocate that portion of the existing Otay 2<sup>nd</sup> Pipeline located within their Development in a manner acceptable to the Water Department Director. The water system improvements include the relocation, up-sizing and installation of approximately 950 linear feet of 48-inch Cement-Mortar Lined and Coated Steel (CMLCS) water main, a realignment and up-sizing of a portion of the existing Otay 2<sup>nd</sup> Pipeline which is currently located in an easement within Skyline Terrace Estates.

The City finds that the public interest is served by the completion of the water facilities required to improve the water system. The City has determined that construction of the water facilities will be expedited by entering into a participation agreement allowing the Developer to construct the required water facilities per City Drawing No. 31678-D. The estimated costs of the project is \$899,521. The City's cost participation will be seventy-five percent (75%) of the Developer's actual costs to provide the water system improvements, but the City's reimbursement cost shall not exceed \$674,641.

Staff recommends reimbursement of \$674,641 to the Developer, provided the work is completed to the satisfaction of the City Engineer and the Water Department Director. Additionally, it is recommended that \$5,000 be allocated for in-house oversight of the contract and other miscellaneous preliminary engineering associated with the project.

**FISCAL IMPACT:**

The total Estimated Cost of this project is \$899,521 and the City's participation will not exceed \$679,641. Funding is available for this project in Water Fund 41500, CIP-73-286.0, Otay Second Pipeline Improvements (Skyline Terrace Estates).

(R-2002-979)

Authorizing the City Manager to execute an Agreement to Assume Maintenance Obligations with Shea Homes Limited Partnership, for Shea to assume maintenance obligations for landscaping near the north-bound off-ramp from Interstate 15 onto Scripps Poway Parkway.

**CITY MANAGER SUPPORTING INFORMATION:**

Shea Homes Limited Partnership, a California Limited Partnership (Shea), a developer in the Miramar Ranch North planning area and as the developer of Scripps Gateway, has agreed to assume maintenance obligations for landscaping near the northbound off-ramp of from Interstate 15 onto Scripps Poway Parkway. This obligation will be assumed by Shea Homes Limited Partnership to maintain landscaping within Caltrans right-of-way adjacent to their project, Scripps Gateway. **NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:**

On 6/12/2002, NR&C voted 3 to 0 to approve. (Councilmembers Wear, Frye and Inzunza voted yea. Councilmember Peters and Madaffer not present.)

### **CITY MANAGER SUPPORTING INFORMATION:**

The South Access Road (Gatchell Road) to the Point Loma Wastewater Treatment Plant (PLWTP) is presently being threatened by advancing sea cove erosion at two locations. This erosion will eventually cause the road to collapse cutting off primary access to the PLWTP. Through a request for proposal process, in compliance with Council Policy 300-7, a design consultant team was selected to study the situation and recommend possible actions.

The selected team consists of local and international firms who have broad experience n dealing with local coastal issues and the regulatory environment.

The recommended prime consultant is Michael Baker Jr. Inc. who will subcontract with TY Lin McDaniel International; the Terra Costa Consulting Group, an OBE; the Schmidt Design Group and the Pountney Consulting Group. Council approval is requested to initiate the design contract needed to develop the preliminary designs and alternative analysis to be used in the environmental review. The project objective is to ensure long-term access to the PLWTP. The analysis will look at alternatives which meet this objective, and are both environmentally acceptable and cost-effective. If the recommendation is to make improvements to reduce the rate of erosion, further Council approval will be required for the final design contract.

### **FISCAL IMPACT:**

The total funding requested is \$140,678 of which \$120,678 is for the design agreement and \$20,000 is for project related costs. Funding is contingent upon the approval of the FY 2003 Budget from Sewer Fund 41509, CIP-45-960.0, Point Loma - South Access Road Protection Project.

### **ADOPTION AGENDA, CONSENT ITEMS RESOLUTIONS:**

- \* ITEM-105: Renewal of the North Bay Redevelopment Project Area Committee (PAC) for One Additional Year of Quarterly Meetings until May 18, 2003.

(Linda Vista, Clairemont Mesa, Midway /Pacific Highway, Old Town, Uptown, Peninsula, Mission Valley Community Areas. Districts-2 and 6.)

## **CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2003-31 Cor. Copy)

Authorizing the extension of the North Bay Redevelopment Project Area Committee for one year, from May 2002 to May 2003.

## **CITY MANAGER SUPPORTING INFORMATION:**

Formation of the thirty (30) member North Bay Redevelopment Project Area Committee (PAC) was authorized by the City Council on September 30, 1997 to advise the Council and Redevelopment Agency regarding adoption and implementation of the North Bay Redevelopment Project. The City Council ratified the first PAC election results in November 1997, in accordance with the North Bay Redevelopment Project PAC Formation Procedures. The North Bay Redevelopment Project was adopted on May 18, 1998, by Ordinance No. 0-18516. The North Bay PAC's standard three-year term ended in May of 2001 at which time the City Council voted to extend the PAC's existence for one additional year of quarterly meetings until May 18, 2002.

### **Discussion:**

On October 24, 2001, the North Bay PAC conducted its most recent Annual Election in accordance with the PAC Bylaws. Eleven of thirteen (13) PAC vacancies were filled at the Annual Election. Overall, twenty-six (26) of thirty (30) seats are currently filled.

Section 33386 of the California Redevelopment Law specifies that the Redevelopment Agency through its staff, consultants, and Agency members shall, upon the direction of and approval of the legislative body, consult with and obtain the advice of the Project Area Committee concerning those policy matters which deal with the planning and provision of residential facilities or replacement housing for those to be displaced by project activities. The Agency shall also consult with the Committee on other policy matters that affect the residents of the project area. The CRL indicates that the PAC's emphasis should be on housing and residential issues and further emphasizes the importance of representation of residential tenants and residential owner-occupants on the PAC.

PAC members are also required under the Fair Political Practices Commission (FPPC) Regulations to complete a Statement of Economic Interests (Form 700) annually. On May 1, 2002 PAC members unanimously approved a motion that their committee be renewed for one additional year of quarterly meetings.

In accordance with the Council's procedures regarding the formation of the North Bay Redevelopment PAC, the City Council ratified the Annual election results on December 4, 2001. The Council is requested to reaffirm that the North Bay Project Area Committee will remain for

another year of quarterly meetings, until May 18, 2003.

**FISCAL IMPACT:**

Based on last fiscal year's expenditures, the cost of maintaining the North Bay PAC for one additional year from May 2002 until May 2003 is estimated to be approximately \$30,000. North Bay tax increment funds are available for this purpose.

**RESOLUTIONS:**

\* ITEM-106: FY2003 California Arts Council State/Local Partnership Program Grant.

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2003-17)

Authorizing the City Manager to apply to the California Arts Council State/Local Partnership Program for a grant in an amount not to exceed \$40,000;

Declaring that the City of San Diego Commission for Arts and Culture will use the funds in FY2002-2003 to plan, coordinate and implement programs and services that enhance the culture life of San Diego;

Authorizing the City Manager to administer any grant funds received from the California Arts Council State/Local Partnership Program for Fiscal Year 2002-2003 to support the Commission's programs, services and administration.

**CITY MANAGER SUPPORTING INFORMATION:**

In 1980, the State Legislation established and funded the State/Local Partnership Program (S/LPP) under the California Arts Council (CAC) to foster cultural development on the local level through a partnership between the California Arts Council and the state's local arts agencies. The nature of this partnership includes arts funding, information exchange, cooperative activities, and leadership to enrich the quality of life for all Californians. The goals of the S/LPP are to encourage local communities to foster the growth of arts resources to meet local needs; to provide access to and to increase awareness of high quality artistic experiences for all Californians; to serve the cultural needs of local communities including geographically isolated and economically disadvantaged communities; to encourage and promote cultural expression and

participation among the diverse and underserved populations of the state based on local planning and the goals of the California Arts Council; to promote cooperation and collaboration among county and city arts agencies in planning, programming and policy development; to increase support for quality artistic activities by supporting the programs, services and arts policy development efforts of California's designated local arts agencies; and to broaden and leverage public and private support for the arts.

The San Diego City Council, by Resolution R-252650, adopted on September 9, 1980, determined to act as a S/LPP partner separate from the County of San Diego and designated the Combined Arts and Educational Council (COMBO) to perform under the S/LPP on its behalf from 1980-1983. In 1984, the City Council changed this designation and identified itself as the local partner.

An annual grant application will be submitted to the California Arts Council State/Local Partnership Program (CAC/SLPP) in the amount of \$40,000. Funds will be used by the City of San Diego Commission for Arts and Culture during Fiscal Year 2002-2003 to plan, coordinate and implement programs and services that enhance the cultural life of San Diego.

**FISCAL IMPACT:**

To receive the \$40,000 in CAC/SLPP grant funds, the City must provide a one to one match. The City of San Diego Commission for Arts and Culture's Fiscal Year 2003, administrative and programs budget will provide the matching funds in the form of the executive directors salary.
